OPTI Workshop Afternoon Segment

We are excited to announce our participation in the AACOM and AODME *Osteopathic Recognition: Pre-Conference Workshop*. In our 2016 OPTI Workshop we focused on Building Blocks for Success and this year we focus on helping our programs achieve Osteopathic Recognition.

**Osteopathic Recognition Pre-Conference Workshop 1 pm - 5 pm
 Intensive Peer-to-Peer Workshop for Completing Osteopathic Recognition
 Application**

1:00 pm to 5:00 pm	Deepen your conference experience by investing in a four-hour workshop focused on the osteopathic recognition application with guidance and insights from peers who have attained osteopathic recognition for their programs. Moderated by peers and experts on osteopathic training, attendees will walk away with tangible ideas to strengthen their program's osteopathic recognition application.
